

# WE CARE

## Mission Statement

We, at Allied, are dedicated to providing the highest quality healthcare with exceptional service to all who enter our doors.

## Company Vision

To create an exceptional patient experience within a culture that empowers our staff and offers professional fulfillment to our providers.

## Core Values (RICHES)

**Respect** – By listening carefully and acting courteously towards our patients, their families and each other, we build a culture where all are heard and everyone’s needs are considered.

**Integrity** – By communicating and behaving honestly and ethically at all times, we build a culture of trust.

**Compassion** – By showing We Care, through our compassion for others, we are able to create a secure environment for our patients and their families.

**Humility** – By realizing no one is perfect, we recognize that there is always room for self-improvement.

**Empathy** – By being sensitive to the feelings and experiences of others, we can have more meaningful interactions.

**Staff** – The future of Allied lies with YOU, our fantastic staff — YOU are our RICHES.
